About the Estate:

Situated 12 kms (7.5 miles) away from Nantes, within a triangle between the Atlantic Ocean, the Loire River and the Lake of GrandLieu. Created in 1864, the estate has been run by the CHOBLET Family for five generations. Nowadays, 2 generations of the family are still sharing and providing their respective experience to the profit of this great vineyard, certainly the most prestigious and reputed of the Muscadet Côtes de GrandLieu Appellation. While using up to date technologies to allow separated vinification and expression of the richness and diversity of each precise "terroir" and parcel, the CHOBLET Family pays particular attention to and respects the environment. The full vineyard is cultivated using Sustainable Agriculture practices since 1980...and now, certified TERRA VITIS.

Domaine des HERBAUGES "Unoaked" Chardonnay – Vin de Pays du Val de Loire IGP (partly vinified under malo-lactic fermentation process in thermo-regulated glass tanks) is a delicious crisp and fresh Chardonnay, clean and persistent in aromas, delivered in a very elegant packaging. Despite the huge competition from all over the world on this varietal, this unique Unoaked Chardonnay became by far our best seller among all our markets in the US and EU. A reliable source and great value you can't miss. Impeccable packaging, screw cap, constant in supply.... The perfect Chardonnay by the glass!

Tasting Notes:

Was already so great with the challenging 2013 vintage thanks to drastic grapes and berries sorting. So with the brilliant 2014 vintage... A brilliant and irresistible wine; pure Chardonnay essence to start, then complex nose; exotic, quince, peach floral and dominant ginger notes. Perfectly balanced and racy palate with apples and quince ending quite racy on ripe berries and apples' notes.
