### About the Estate:

The total 35-hectares vineyard of **Château des CEDRES** is situated in Paillet in the hearth of the 1eres Cotes de Bordeaux and Cadillac Appellations. With an incredible and unobstructed view on the Garonne Valley at more than 120 meters altitude, the 86.45-acres vines have an exceptional exposure and natural draining. Cultivated following the Sustainable Agriculture practices for more than 15 years, **Château des CEDRES** produces very expressive Red Bordeaux, 1eres Cotes de Bordeaux, and also sweet white Cadillac Appellation wines.

As an introduction, let us use the words from a US customer's Newsletter concerning Château des CEDRES Bordeaux Rouge: "Hooray for the return of Bordeaux I can get excited about." The full comment continued to speak of the desire to have a real, attractive Bordeaux, with terroir expression, at an affordable price, just because "a good Red Bordeaux on a cold winter night is one of life's real pleasures." it is exactly what we liked from the first time we tasted the wines from Serge LARROQUE. They continue to provide us the same pleasure with an unmatched "Bordeaux expression," a traditional attractive label, and great value, from one vintage to another. Humble, Serge LARROQUE will tell that he does "nothing special" and that everything comes from the terroir... We are not sure, as nothing comes by chance, and Serge is a very hard worker, taking great care of every step.

Serge can also be proud with his Chateau des CEDRES Bordeaux Blanc we never had the chance to suggest (being a rather low production from 1 Ha. Plot more clayey), but what a pure little gem and of course, top value! Distinctive appealing, juicy and touch pastry Sauvignon nose and palate. To discover

### Tasting Notes:

So nice, ripe and fresh Sauvignon, with zest and nice exotic fruits and touches of light oak from the steering on lees in barrels, everything perfectly balanced. Peaches, apples and grapefruits palate and length.
