About the Estate:

Family estate for 4 generations now run by Régis & Hervé GRANDEAU, the 55 hectares (132.55 acres) vineyard of Château LAUDUC is located on the highest hillsides of the commune of Tresses, only 10km away from downtown Bordeaux. Enjoying various exposures and soils (limestone-clay, siliceous, gravels) which are particularly well adapted to vine growing and allowing grapes to achieve perfect ripeness, the vineyard is mainly planted with Merlot and Cabernets for the Bordeaux Red & Rose Appellations production, and Sauvignon and Semillon for the limited production of White wines.

Harvested at their best maturity, the grapes devoted to the Rosé production are de-stemmed then crushed. This wine is a "Rosé de Saignée" style, once the tank is filled and after 3 to 4 hours of skin and juice contact – providing the Rosé color and fruity aromas - a bleeding of the vat is done. The must is fermented separately and then follows the same vinification process as used for a white wine. Natural clarification is achieved by cold temperature aging for 3 months during the fall and early winter. The wine is then aged on fine lies in tanks and bottled at the estate. The wine is made more complex by its judicious bleeding and limited hours of skin maceration.

As good as great looking! Attractive pink color with very nice red fruits aromas, keeping all the freshness of young Bordeaux wines. Perfect wine to pair with any kind of spring & summer food.

Tasting Notes:

Extremely elegant and feminine light Provence color. Intense nose on fresh raspberries, cake, citrus fruits and floral notes. Lively and round palate at the same time, very aromatic on red fruits. Pretty good length keeping zestiness.

Food Pairing:

"The perfect friend for Aperitif : Fresh, fruity & Bordelais" - Hervé Grandeau, Producer.

Press Review:

Soon to come.
