About the Estate:

Instituted in 1923, Mercurey - situated in the heart of the Côte Chalonnaise (12 kilometres from Chalon-sur-Saône) - is one of the foremost appellations of Bourgogne. Protected from moisture-bearing winds, tucked away in its hillsides or stretched along the aptly-named "Golden Valley" the vineyards stretch as far as the neighbouring village of Saint-Martin-sous-Montaigu.

Located in Mercurey village, the Domaine de la VIEILLE FONTAINE 4 hectares vineyard spreads over the Appellations Bouzeron, Mercurey White and Red & Mercurey White & Red 1er Cru. Backing slopes or spreading within gentle dales (as shown on pictures), the terroir is mostly made of limestone-clay.

Having trained as an accountant, David Déprés turned to wine making working with the elders. After 4 years of practical experience, he decided to start learning the theory at the wine-making high school of Beaune and set up his first estate in 1996 in Bouzeron on about ten hectares in appellations Bouzeron and Rully. 90 % of the volume produced were sold in bulk.

In 2004, he set up his current estate Domaine de la Vieille Fontaine in Mercurey on 4 hectares in appellations Bouzeron, Mercurey, Premier Cru Mercurey in white and Burgundy, Premier Cru Rully cloux, Premier Cru Mercurey and Mercurey in red.

The whole estate is cultivated following sustainable agriculture practices with a big work of the soils. No more chemical weed killer have been used since the beginning of 2000s to favor the expression of the terroir. Unfortunately, only 270cs produced in 2016 from the 11 acres! But needless to say, as big as rare!

Tasting Notes:

So attractive and ample nose on dark cherries, licorice, blackberries. Subtle and mature palate, racy, keeping the licorice notes and so harmonious length.

Press Review:

Soon to come.
