About the Estate:

Located in Mauleon d'Armagnac - heart of the Bas-Armagnac vineyard (South West of France) - Pepouy estate was established in the 17th century by the Piffard Family, and now spreads over 135 Ha (333.6 Acres), including 52 Ha (125.32 Acres) of vineyards.

Surrounded by forest and lakes, Pepouy is a haven of peace, a unique place where nature runs wildly free. Besides their production of the ancestral and more famous "Eau-de-vie des Rois" Bas-Armagnac belonging to our Spirits' assortment, Pepouy vineyards also produce unique Cotes de Gascogne IGP wines White & Rose, from Sables Fauves "boulbenes" terroir, mostly exposed East.

Born and originally from the South-West, Franck has known Frederic Piffard and has regularly tasted Pepouy wines for over a decade, and we are happy to suggest their tremendous Gascony IGP wine, starting with the amazing value, crisp and citrusy Sauvignon Cotes de Gascogne & also the Rose from the 2021 Vintage.

Surrounded by forest to protect the humidity from the Atlantic Ocean, proximity with the Pyrenees mountains; Gascony is known to be the wine region in France to have less climate changes effect on vines.

2021 is crisp and bright as we wish and reviewed "Best Buy" Wine Enthusiast for the 3rd time in a row. It is a delicious wine & value.

Tasting Notes:

Crisp and bright nose, juicy, Sauvignon freshness, exotic fruits, apples, floral and touches of minty notes. Perfect acidity and zest, ending citrusy. This is Pepouy's pleasure and value!

Food Pairing: Complement for shellfish, fish, white meats and cheeses, daily pleasure

Press Review:

"With its herbal edge contrasting with lemon fruit flavors and delicious, light touches of honey. The wine, from this estate established in the 17th century, is floral and refreshingly fruity." Roger Voss **88 Pts "Best Buy"** Wine Enthusiast

2020 Vint. "This wine is spicy. A touch of pepper contrasts with the greener, herbal character & citrus fruitiness." Roger Voss 88 Pts **"Best Buy"** Wine Enthusiast, August 2021
