Sustainable Agriculture Practices - HVE 3 farm certified having high environmental value

About the Estate:

Château de MARJOLET is located in Gaujac, on right bank of the Rhone, in the heart of the Côtes du Rhône, 30 kilometers in the north of Avignon. Close to the vineyards of Tavel, Lirac and Châteauneuf, The large majority of the soil in AOC could not produce a grape and then a wine of recognized quality without the know-how passed down through already five generations. Each one contributed to the enlarging and the modernization of the vineyard, being aware that this inheritance is to be managed using current tendencies, but keeping connected to deep roots which confer its character and its identity to him.

When I first tasted MARJOLET range, I liked their distinctive, clean and elegant wines, but also immediately had a great contact and feeling with the PONTAUD Family, and this is a must in our decision. Then, by visiting the estate and discovering every single plot, I've been amazed by a superbly tended vineyard and old vines in perfect shape.

6th vintage of Rosé we do have the pleasure to suggest from Château de MARJOLET, our super star & top value Rhône wines' estate. A Rosé de Saignée predominant Grenache from a single plot, Cinsault from 2 plots within the Laudun "galets roulets" pebbly terroir. Perfectly described by the famous Wine Guide Hachette as "clean, fresh and good taste".

Tasting Notes:

Soon to come

Food Pairing:

Ham with melon, grilled skewers, stuffed tomatoes.
