About the Estate:

Family estate for 4 generations now run by Régis & Hervé GRANDEAU, the 55 hectares (135.90 acres) vineyard of Château LAUDUC is located on the highest hillsides of the commune of Tresses, only 10km away from downtown Bordeaux. Enjoying various exposures and soils (limestone-clay, siliceous, gravels) which are particularly well adapted to vine growing and allowing grapes to achieve perfect ripeness, the vineyard is mainly planted with Merlot and Cabernets for the Bordeaux Red & Rose Appellations production, and Sauvignon and Semillon for the White wines.

Harvested at night to preserve the fruitiness of the grapes. Rapid stemming and transition to the crusher to avoid oxidation. Pneumatic pressing without maceration. Minimal filtering performed before the fermentation process in stainless vats thermo-controlled between 60 & 64 F degrees. 3 to 4 months aging before the bottling.

As good as great looking! Attractive pink color with very nice red fruits aromas, keeping all the freshness of young Bordeaux wines. Perfect wine to pair with any kind of spring & summer food.

1st Vintage Franck involved in the blending following 3 visits & tasting at the estate.
