About the Estate:

"Peybrun has been in my family for four centuries and has always produced very high quality red and sweet white wines. In 1985, my father, who had enlarged and replanted the vineyard, died, so I left the Law and dived into our vats! And that's how my passion began. On these wonderful steep hills," quotes Catherine de LOZE, owner and wine grower. To be precise, family archives dating back to 1560 have been found in the house!

We have had a close collaboration with Catherine de LOZE for over 15 years, distributing her famous Cadillac wine. For the Château PEYBRUN Cadillac Côtes de Bordeaux, we select together a limited volume made from a single 5 hectares plot planted on south and south-west exposed slopes on limestone and chalky-clayey soils, nestled between the sweet wines Cadillac and Loupiac Appellations.

2020 is our 8th vintage blended with Catherine de Loze, which we selected together from 3 tanks: a higher proportion of Merlot from the superbly balanced and rich "S" tank, and the older vine Cabernet-Franc plot fully revealing on the length. All the ripeness, roundness and irresistible fleshiness of the superb 2020 vintage.

Tasting Notes:

What to start with...? Superbly ripe, fruity, rich and silky nose on plums, dark fruits, licorice, black cherries & cake's notes. Already very balance and sappy palate in full aromatic harmony, with mineral / iron hints and still the delicious cherries, licorice and plums flavors. And then, this is Peybrun... savory earth length. Unique.

Food Pairing:

Press Review:

"This is a juicy wine, full of red fruits and bright tannins. The wine will develop quickly and deliciously, so it should be ready from 2024." Roger Voss Wine Enthusiast—Dec. 2022

"Mulled red cherries, old leather, and dried herb notes all emerge from the 2020 Ch. Peybrun, a medium bodied, nicely balanced, elegant & mid-weight effort that has a complex, singular style." Jeb Dunnuck
