About the Estate:

Belonging to the DUVEAU Family since 1835 (six generations) and now run by Patrice and Philippe, the Famille DUVEAU vineyard spreads over 50 hectares (123.5 acres) within Saint-Cyr en Bourg & Brézé, to the South of the Loire river.

The terroir of limestone-clay soil and sub soils called "Tuffeau" make this area extremely propitious for the cultivation and maturation of the Cabernet Franc. Within the vineyard conducted under Sustainable Agriculture principles, 100% green covering and also leaves' removing is performed when necessary.

Immediately after the harvesting, a very precise hand selection of the grapes is done on a sorting table, just before the destemming, and then the wine undergoes thermo-regulated maceration in stainless tanks for 14 to 18 days. The wine is then aged 10 months in tanks before bottling.

The Famille DUVEAU Red is a delicious and so pure Saumur: Suave, velvety, with a so fruity nose and palate. Terrific Cabernet-Franc of an incredible value!

Tasting Notes:

"Immediately seducing, round and generous nose on plums and dark cherries. As for the nose, very charming palate and texture. Nearly creamy nose on blackberry and cassis. Sappy, juicy and very fresh palate, on dark fruits and light leather notes.

Food Pairing: "Ideal pairing with grilled ribs, burgers and steaks". Dave McIntyre, *Washington Post*
