VINS D'ALSACE

Pinot Blanc Tradition 2023

AOC Alsace, Alsace, France

A fresh and floral wine. Perfect for any occasion!

THE VINTAGE

It's been a long time since we've had such a tranquil harvest in Alsace. A dry climate, sunshine, and well-developing vines. However, grape maturity has been heterogeneous in the vineyard. The August rains made the difference. In Hunawihr, the harvest is good with healthy grapes and high concentrations.

The wines are clean, precise with great freshness. We can say that the 2023 vintage has preserved the typicity and minerality of our beautiful terroirs. Very promising!!!
